

MANAGING TRAINING IS DIFFICULT. WE MAKE IT EASY.

Online

- Import your existing materials
- Author new CBT courses
- Upload 3rd-party content
- Built-in library of 400+ courses

Offline

- Classroom training
- In-person observational skills assessments
- Meetings & off-site training
- Continuing education

Your Challenges

Admin Burden

Overdue Training

Low Visibility

High Maintenance

Our Solution

Automated

- Automatic email reminders with custom schedules and content
- Schedule recurring training
- Manage classes with sign-ups & waitlists

Streamlined

- Custom tests with variety of types, scoring & randomized questions
- Group training into skillsets & jobs
- Manage multiple sites & departments

Transparent

- Fully customizable reports
- Comprehensive audit trail
- Schedule reports to run automatically
- Access from any location or device

Easy to Use

- Hosting & maintenance by Frontline
- Simplified interface for basic users
- Continuous, redundant data back-up
- Attach documents or use network links

Frontline's Integrated EHS Suite
